

Week 5: Art Jobs

You may complete one activity or all for your Week 5 Art Assignment. Please fill in your Elementary Special Area Log for art and submit through Canvas or email. If you would like to share an image of your work with Mrs. Edwards, you may do that as well.

Graphic Design for Kids

<https://safeYouTube.net/w/4I59>

Graphic Designer

A Graphic Designer is someone who combines pictures and text in advertisements, magazines or the packaging of items we use every day like cereal boxes.

What type of cereal would you create if you could? Draw your own cereal box for the cereal you would create.

Include these things in your drawings:

FLAVOR

CHARACTER

SHAPES

FRUIT

SIZE OF BOX IN POUNDS OR OUNCES

Roller Coaster Engineer

Design a roller coaster:
Build it from things around your house,
Legos, blocks or draw it!

Maker Challenge: Design the Ultimate Roller Coaster

<https://safeYouTube.net/w/PN59>

(video for inspiration-use whatever materials you want)

Fashion Designer

If you could design a new shirt for Manatee Cove Elementary what would it look like. Draw your idea on paper and color it if you can.

Have a printer? Print out the blank shirt on the next page and add your design!

If you or your student are having trouble with any of these activities, please contact Mrs. Edwards at jeedward@volusia.k12.fl.us or feel free to make up your own activity.
