

Week 6: Laundry Art

You may complete one activity or all for your Week 6 Art Assignment. Please fill in your Elementary Special Area Log for art and submit through Canvas or email. If you would like to share an image of your work with Mrs. Edwards, you may do that as well.

Family Project

Use your laundry to recreate a piece of art! With you family, choose a piece of art from online. It can be any style, but it must be a 2D painting. Then use your laundry to try and create a replica.

I choose *Wheatfield with Cypress* by Vincent Van Gogh!

Artist Ideas for Laundry Project
